

## **A little bit about Theresa's Gourmet Deli & Cafe....**

A neighborhood cafe where patrons and staff are on a first name basis and folks can chat happily across the room in a warm and cozy place.

Theresa's Cafe offers the best in "fresh home cooking" cooking from scratch using fresh and healthful ingredients in soups, salads, sandwiches and desserts. Breakfast can be the unusual; homemade yogurt parfaits, steel cut oatmeal with dried fruit and nuts, homemade muffins, scones or fruit bread or traditional; fluffy omelets, light and fluffy pancakes, waffles, special breakfast sandwiches, fruits, juices, a variety of fresh brewed coffees, teas and hot chocolate!

Lunch includes a seasonal variety of classic and gourmet sandwiches, burgers, daily homemade soups, chilies, a tempting choice of main course salads, plus daily specials. Patrons stop by to pick up freshly made entrees to enjoy at home!

We have been preparing fresh foods for over four years for people who value healthful, tasteful, quality Breakfast, Lunch, Dinner and catering.

All our subs and sandwiches are prepared to order using only top grade **Boar's Head Meats & Imported Cheese**. We also Bake our own Roast Beef, Turkey Breast and Ham for sandwiches! We refuse to pre-cut any meat or cheese in making your sandwiches. So please be patient - I am sure you will appreciate the difference!
